

SEA PRODUCTS AND LOTIONS

Ancient Secrets, Inc.

Beauty through Balance - **Seaweed Body Butter**. This unique formula deeply hydrates and targets signs of age without leaving an oily greasy residue on the skin. Created with fresh Pacific Seaweed from the Canadian Coast along with powerful anti-oxidants of

green tea, grapeseed, and a triple vitamin complex, this powerful finishing step will leave your clients skin feeling toned, purified, and nourished. This product is part of the Beauty Through Balance spa line consisting of a wide range of therapeutic and wellness oriented face/body treatment products. 888-796-0589, www.beautythroughbalance.ca

Bubalina

Bubalina's **Wild Pomegranate Lotion** contains pomegranate seed oil and Rooibos Tea extract, known for being an excellent moisturizer and rich in the flavonoids and other polyphenol anti-oxidants so vital to health and well-being. Pomegranate fruits have also appeared throughout history as symbols

of royalty, hope, and abundance. Smooth onto your skin after showering or bathing as a moisturizer. Best when used following Bubalina's Wild Pomegranate Bath and Shower Gel. Wild Pomegranate is available in Body Butter, Sugar Scrub, Body Lotion, and Bath & Shower Gel. 800-366-2181, www.bubalinabeauty.com, CCR# 285

C'watre Skincare

The newest addition to the C'watre skincare collection is **The Essence**. The Essence is a deeply penetrating product that contains only three ingredients: C'watre's proprietary Odoroki ocean water, powerful ancient sea solids, and a single Akoya pearl. This soothing product helps skin absorb the many beneficial qualities of ocean water. This innovative skin care line is dedicated to sustainable business practices and the products combine pure seawater and other natural ingredients such as Rosemary Extract,

Hops Extract and Sweet Almond Oil. www.cwatre.com

Dynamis Skin Science

Dynamis Skin Science introduces **MEG 21 Age-Defying Hand Treatment** – the newest addition to the MEG 21 family of products for aging skin. Dynamis aims to disprove the old saying, "If you want to know a woman's real age, look at her hands!" MEG 21 Age-Defying Hand Treatment addresses the signs of aging in the delicate skin of the

upper hands by using liposomes to deliver Supplamine® into the skin. The results are superior moisturization, reduction in fine lines, improved skin tone, and a smooth, silky feel. 877-682-7949, www.dynamisskinscience.com, CCR# 203

Nature Pure Labs

Nordic Care

Nordic Care **Sea Salt Scrub** boasts a list of key ingredients that soothe, smooth, and scrub. Elderberry, Poppy Seed, and Chevril Leaf protect, balance, and restore the skin to a more

natural, healthy condition while Caraway Seed works to remove bruises and regenerate tissue. Thyme Leaf and Lovage Leaf deliver cleansing, antibacterial, and draining properties. Essential oils of eucalyptus and lavender create the intoxicating fragrance that calms and comforts the senses. Nordic Care Sea Salt Scrub has a creamy consistency that delivers a warming sensation onto the skin. 877-588-3700, www.nordiccare.com
