

A vibrant green field of crops, likely corn, stretches across the bottom half of the image. The sky above is a deep blue with wispy white clouds. The text is overlaid on the top half of the image.

ISPA isn't the only one celebrating an anniversary this year. **Earth Day** is turning **40** this April! Check out this sampling of ISPA's resource partners who notified us of their efforts to help **Mother Earth!**

Ancient Secrets Inc.

Some of Ancient Secrets Inc.'s greening efforts include using gentle and low-energy production processes, recyclable and bio-degradable packaging and recyclable paper and soy ink whenever possible. The company also uses natural, fresh and local ingredients to create formulas; sustainable harvesting methods for indigenous ingredients; natural alternatives for gift packaging (including bamboo boxes and organic hemp fiber cosmetic bags); and vegetable and plant-based natural alternatives in formulas and processing methods.
